INDOTEXTILES.COM & E-MAGAZINE PROMOTION AND ADVERTISEMENT MEDIA Textile business is so far still having big role in the national economy. The world textile trade value is now reaching to about US\$ 1 trillion. A hundred thousand of companies and a hundred million of labors are getting active business spreading out in 200 countries in the world. For some major textile producing countries like Indonesia, the textile industry has important role in earning foreign exchange and absorbing huge workers. It drives tight competition either among the companies (individually) or among the exporting countries (collectively). The competitions triggered the textile players to be more effective and have improvement in company's performance. Here, the quick and accurate information and communication as well as easy to access are being important need. The players must be able to contact efficiently to buyers and suppliers. They must also get market information and search raw material quickly and accurately. Other information as source of analyzing condition of business environment is a part of the new trend. Responding this phenomenon,

www.indotextiles.com as one of the online information sources of textile business, in 2008 has new developments addressed to be more increasing website function for the players in this sector. The development was carried out by adding more informative features and giving opportunity to the businessmen to have communicating among them. By more elegant display as well as easier to understand (user-friendly), it is being favorite site to the textile businessmen mainly in Indonesia. In since 2009, we publish "Indotextiles E-Magazine as a new format of information media for the textile businesspeople, it's not only providing information regarding with world of textile but also discussing many new issues, including the future trend of textile industry and trade. The media, which is published monthly, is becoming very important the textile industry and trade either in Indonesia or in the world. **MEDIA PROFILE 2016**
