Indo Intertex - Inatex is an international design and industrial product exhibition held at JI Expo Kemayoran, Central Jakarta.

This 4 days exhibition presents machinery, equipment, fiber raw materials, yarns, fabrics, apparel, accessories / zippers / buttons / belts and industrial products. The exhibition, which has been going on for 16 years, serves as a platform for ITPT stakeholders to share information on ITPT technology and business, as well as review investment opportunities and cooperation. "The optimism of ITPT growth is the main driver of ITPT exhibition with international level of Indo Intertex - Inatex 2018," he said. Paul Kingsen also explained that the Indo Intertex - Inatex 2018 event occupies an area of 32,000 square meters spanning 10 hours all of which are Hall A-123, B-123, C-123, D-1 and the use of large tents covering 2,000 square meters. A total of 900 companies from 23 countries are taking part, including Indonesia, Austria, Belgium, France, Germany, Hong Kong, India, Italy, Japan, South Korea, Malaysia, Netherlands, China, Singapore, Spain, Switzerland, Taiwan, Thailand, Turkey, Vietnam, Czech Republic and Pakistan. Indo Intertex 2018 Sukses Diselenggarakan Indo Intertex - Inatex merupakan pameran industri dan produk tekstil bertaraf internasional yang digelar di JI Expo Kemayoran, Jakarta Pusat. Pameran yang berlangsung selama 4 hari ini menghadirkan permesinan, peralatan, bahan baku serat, benang, kain, pakaian jadi, aksesoris/zipper/button/belt dan produk industri. Dikatakan oleh Project Director Peraga Expo Paul Kingsen, selaku penyelenggara pameran pada pembukaan kemarin, pameran yang telah berlangsung selama 16 tahun ini menjadi sarana bagi para stakeholder ITPT untuk berinteraksi berbagi informasi mengenai perkembangan teknologi maupun bisnis ITPT, serta mengkaji peluang berinvestasi dan kerja sama. "Optimisme pertumbuhan ITPT menjadi pendorong utama diselenggarakannya pameran ITPT bertaraf internasional Indo Intertex & Inatex 2018," katanya. Paul Kingsen juga menjelaskan bahwa acara Indo Intertex & Inatex 2018 menempati area seluas 32.000 meter persegi meliputi 10 hall yakni Hall A-123, B-123, C-123, D-1 dan penggunaan tenda besar seluas 2.000 meter persegi. Sebanyak 900 perusahaan dari 23 negara ikut ambil bagian, antara lain Indonesia, Austria, Belgia, Prancis, Jerman, Hong Kong, India, Italia, Jepang, Korea Selatan, Malaysia, Belanda, China, Singapura, Spanyol, Swiss, Taiwan, Thailand, Turki, Vietnam, Republik Ceko, dan Pakistan.
